

## Walthamstow Memories 1931 – 1969

### BYRON ROAD E17

My name is Betty Roberts and I was born in 1931 and lived with my parents and brother Jimmy at No. 3 Byron Rd until 1953. The adjacent photograph was a street party held to celebrate King George V Silver Jubilee in May 1935.

I can remember a few names, does anybody recognize themselves or their parents?

### St Mary's Infants School – 1938

I am in the second row from the front, second in from the right.

A year later some of us were evacuated from the school to Whissendine in Rutland. This is a photo taken outside the old village school. My brother returned to Walthamstow after only a month, I was there for 6 months before returning home.

### **Forest Road Junior School – Approximately 1941**

The teacher on the top left hand side was Mr Pierce.

This is me when I was at George Gascoigne Central School.
