

I was just browsing through your web-site and found it very interesting as my friend who lives above me was born in Walthamstow in 1932, he is called Robert Horner and his Father was Robert Arthur Horner, his mum was Rose, they lived in Albion Road off Wyatts Lane, but moved to Halifax during the war because of the conflict, I have three small snaps, one of a street party after the war in Albion Road and the other of a group of elderly ladies, and the third is of a wedding group. Can scan and send if you wish.

Yours respectfully ... Peter Brook
